

## About the product

Strawberry tomatoes are a recognised and recognisable brand among our customers. It is the flagship product of Mularski Group and the only such product in Poland as this variety is grown only in our Bory Malinowskie farm. It is valued for its original taste and flavour. Children love it. It is a perfect healthy snack, ingredient of salads and starters. Its fruit are oblong, sweet, and very aromatic. They have intense red colour. They are offered on a branch.
